

**Dunster Benefice Diocesan Group**

There is a hymn that begins "All my hope on God is founded..." and many are seeking hope during this strange time we are going through. If you feel in need of some daily hope, a new '**Daily Hopeline**' has been launched and Mothers' Union members have been asked to share this information, particularly to those without the internet.

If anyone would like to make use of the **Daily Hopeline** please call **free** on **0800 804 8044**.

Archbishop Justin Welby answers your call with a short message followed by a choice of options:

Press 1 to listen to hymns we love with a series of short talks based on the well-loved hymn.

Press 2 to listen to a different daily hymn.

Press 3 for the Prayers which are specific for the Coronavirus pandemic.

Press 4 to hear options 5 to 7:-

Press 5 to hear a Church of England weekly Service.

Press 6 to join in with traditional Morning and Evening Prayers.

Press 7 to hear the latest Government advice on the Coronavirus pandemic.

Press 8 to listen to Mothers' Union Mid-day Prayers.

If you know of anyone who may benefit from making use of this '**Daily Hopeline**', particularly those who do not have access to the internet, please pass on the information to them and we hope that all who make use of it will find it a blessing.
