Exmoor Updates

PCSO Michelle arranged a fraud talk for the residents of Exmoor to help alert them to potential scams. These talks are very popular and help offer some guidance around scams and fraud.

Oil/Diesel tank theft

Oil is used to heat homes or buildings, and diesel is stored in farms and businesses. Both types of tanks are targeted by thieves as they contain valuable oil/diesel and are normally outside.

Prevent theft

Although oil tank theft is increasing, there are steps you can take to keep your oil tank safe:

- Hide the location of the tank
- Fit your oil tank with a padlock or lockable filler cap
- Secure the oil tank within a cage

Police pop ups

Michelle and Linda have attended various villages over the month to offer crime prevention advice and free bike marking opportunity.

We attended Brushford and Brompton Regis for a pop up crime prevention stand.

We have also had a weekend of visits to Clatworthy, Dunster and Porlock with crime prevention and the offer of Bike marking.

We also attended local campsites and caravan sites offering crime prevention around vehicle breaks ins when left at beauty spots. This can be an issue for visitors to the area they leave belongings and bags in the locked vehicle, But locally we have had in the past, areas where cars are broken into to obtain the items. Offering the leaflet unsure they think about it before they leave their vehicle unattended.
